Community Works Gala 2026

Community Works is the only agency in Jackson County, Oregon offering safe housing, shelter, and crisis support every hour of every day for individuals facing homelessness or near homelessness due to domestic or sexual violence and human trafficking.

With your support, last year we celebrated the opening of **Mary's Haven**, the first multi-family transitional living apartment complex of its kind in Southern Oregon. Survivors are now living there, finding stability, and beginning to rebuild their lives. Dreams are taking flight, and hope is being restored because of this community's generosity.

But Mary's Haven was just the beginning. As the need continues to grow, so must our capacity to respond. We are thrilled to announce that Community Works has already purchased the property for a **second multi-family transitional living complex**—one that will provide **double the capacity** of Mary's Haven. This expansion means more families can find safety, healing, and the chance to create brighter futures.

The **2026 Gala –“Let's Go Fly a Kite”** will help make this vision possible. Scheduled for **Saturday, May 9th at the Rogue Valley Country Club**, this uplifting evening will celebrate hope, resilience, and community. We invite you to partner with us as a sponsor of this year's gala.

Enclosed you will find sponsorship opportunities. Your support is not just a gift—it is an investment in the safety and strength of our community for generations to come.

Thank you for considering this request. In the coming weeks, I will reach out to share additional details about this extraordinary evening. Together, we can lift families higher, change lives, and provide the shelter and support so many in our community desperately need.

Warm regards,

Susan Aaronson
